

## NOTICE OF ROAD CONSTRUCTION – Yellow Phase – Broughton Place

The Yellow phase of Broughton Place will be under construction for 24 hours on **Wednesday May 23 @ 8:30am to Thursday May 24 @ 8:30am (24 hours)**. This is to allow the second coat of high density mineral bond to be applied. We apologize for the inconvenience. Due to a weather delay, the second coat is scheduled for May 23. **For road project information, please check the CDD website at meadowpointe3.org.**

La fase amarilla de Broughton Place estará en construcción por 24 horas el **miércoles 23 de mayo @ 8:30 a.m. a jueves 24 de mayo @ 8:30 AM (24 horas)**. Se trata de permitir la aplicación de la segunda capa de enlace mineral de alta densidad. Nos disculpamos por las molestias. Debido a un retraso meteorológico, la segunda capa está prevista para el 23 de mayo. **Para información sobre proyectos viales, visite el sitio web de CDD en meadowpointe3.org.**

To obtain the full benefit of the treatment to maximize the financial savings, the CDD asks residents to do the following:

1. **ALL OUTSIDE IRRIGATION MUST BE TURNED OFF.** So that the contractor can apply the treatment in a dry condition, please make sure your irrigation system is turned off between 6:00 pm the day before the work is scheduled to be done in front of your home and midnight of the work day.
2. **PARKING:**
  - a. **DRIVEWAY ACCESS:** Between 8:30 am on the work day in front of your home to 8:30 am the following day while the treatment is drying and curing (24 hours), you will not have access to your driveway. Any damage done to private property due to traveling over a treated street earlier than requested will not be repaired by the contractor or the CDD, and any damage done to the pavement treatment as a result of not complying with this request will be documented for possible legal action.
  - b. **WHERE TO PARK:** Park in your neighborhood on the street in a phase that is not scheduled for that day. Only park on one side of the road per the image to the right to allow emergency access.
3. **SERVICE VENDORS:** Please ask any service vendors (landscapers, special deliveries, construction, etc.) to avoid working on the days that the treatment is planned to be done in your community.
4. **GARBAGE & MAIL:** The contractor is working to notify garbage collection and mail delivery services of the work plan.
5. **SPECIAL NEEDS:** If you have any additional special needs that need to be accommodated, please contact Julie Conrad @ (407) 965-6249. There will be a handicap accessible van or golf cart available.
6. **PROJECT CONTACT:** Please contact the following for any construction questions related to the project: Whitaker Contracting 813-701-2050, Julie (407) 965-6249, or Tonja
